

LOST ANIMAL REPORT

***This form DOES NOT replace your continuous effort to find your animal. Visit often, at least every other day to see and/or identify if your animal eventually ends up at our shelter. We are only required to hold animals for 3 (three) however, we hold for 5 (five) days to provide owners ample time to come to our shelter to search for their pet! Staff is extremely busy and does not have time to cross check these reports. It is your responsibility to continue the search for your animal. By submitting this form, you release your contact information for individuals to contact you.
