

CREMATION SERVICES

As pet owners, we understand what it is like to lose a pet. Our pets are members of our family and deserve to be treated with dignity and respect. Our special companions do not deserve to be brought to landfills and other unfamiliar places.

The Humane Society of Charles County (HSCC) does not euthanize animals for the public; however, if your pet has died (or was euthanized at another facility), you may bring your pet to the HSCC and we will arrange for either a **Mass Cremation** (pet's remains are NOT returned to the owner) or an **Individual Cremation** (pet's remains are returned to the owner).

We will handle calling the crematorium for you and your family.
